CERTIFICATE OF INDEPENDENT BID DETERMINATION

1  This Standard Bidding Document (SBD) must form part of all bids\(^1\) invited.

2  Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an
    agreement between, or concerted practice by, firms, or a decision by an association of
    firms, if it is between parties in a horizontal relationship and if it involves collusive
    bidding (or bid rigging).\(^2\) Collusive bidding is a per se prohibition meaning that it cannot
    be justified under any grounds.

3  Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities
    must take all reasonable steps to prevent abuse of the supply chain management
    system and authorizes accounting officers and accounting authorities to:
    a.  disregard the bid of any bidder if that bidder, or any of its directors have abused
         the institution's supply chain management system and or committed fraud or any
         other improper conduct in relation to such system.
    b.  cancel a contract awarded to a supplier of goods and services if the supplier
         committed any corrupt or fraudulent act during the bidding process or the
         execution of that contract.

4  This SBD serves as a certificate of declaration that would be used by institutions to
    ensure that, when bids are considered, reasonable steps are taken to prevent any form
    of bid-rigging.

5  In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9)
    must be completed and submitted with the bid:

\(^1\) Includes price quotations, advertised competitive bids, limited bids and proposals.

\(^2\) Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or
    lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid
    rigging is, therefore, an agreement between competitors not to compete.
CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium\(^9\) will not be construed as collusive bidding.

   (a) prices;
   (b) geographical area where product or service will be rendered (market allocation);
   (c) methods, factors or formulas used to calculate prices;
   (d) the intention or decision to submit or not to submit, a bid;
   (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
   (f) bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

\(^9\) Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier’s expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

(a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;

However, the supplier shall continue performance of the contract to the extent not terminated.
